

TOM'S PLACE CAFE MOVES THIS WEEK

Noted Dispenser of Eats and Black Walnut Kisses in New Home

The many friends and patrons of the Tom's Cafe, formerly located in the Burkhart building, will be pleased to learn that he is moving into his new location in the Mosk building, on Sartori street, this week.

Mr. Bartlett, the proprietor, announces a special good time on his formal opening at the new cafe, Saturday, April 21. Special music has been arranged and a free dish of his famous chili will be given free to those who attend.

It was the intention of Mr. Bartlett to hold a street dance, which he has made famous in Torrance, but owing to moving and getting ready for the opening he decided to have the special music and give a treat instead.

Vonderahe & Crowell Located in New Office

Charles Vonderahe and L. M. Crowell announce that they are ready in their new room in the Vonderahe building, corner Carbrillo avenue and Carson street, to receive the listing of the property owners in Torrance and community.

It is their intention to handle all lines of the real estate business and at the same time feature an up-to-date insurance department. They are also prepared with the proper finances to buy a lot and build a home for the man who has not sufficient funds to pay all down for his home, and can therefore sell on a payment down and the balance like rent. This feature alone is an assurance of their success in business, as it will enable a score of people to live in Torrance who are only waiting the chance to buy a home within their means.

Both Mr. Vonderahe and Mr. Crowell are progressive business men, being of that type who like to put over big things. They are both capable men, having had an extensive experience in their line, so their success here will no doubt be up to their expectations.
